SUPERVISORS HOLD REGULAR MEETING

SUPERVISOR BLACKBURN IS CHARGED WITH OVERDRAWING SHARE OF GENERAL FUND

Board Will Buy Stationery at Contract Price—Printing Rates Established By Ordinance.

The Board of Supervisors met in regular session Monday, February 19th, there being present P. H. McEvoy, presiding, and Jas. T. Casey, W. H. Brown and Jos. M. Francis.

The minutes of the previous meeting were read and approved.

Brown introduced a resolution closing Farrell Drive at the San Mateo City Homestead, which thoroughfare, he stated, had never been accepted by the county or used.

Hall C. Ross was sworn and testified that when the Husing and Casey subdivisions had been laid out many years ago the drive was offered to the county but had never been accepted nor had the public made any use of it. The property had been purchased by the Beresford Country Club and it was desired to close the road.

Brown moved the passage of the resolution. He was seconded by Casey and the motion carried.

A petition signed by a number of residents of the Abbey Homestead in the First township was received asking that nine new lights be installed in the Colma Highway Lighting District which includes the Homestead.

The petition was accepted on motion of Casey, seconded by Brown, and the clerk was directed to notify the South SanFrancisco Power and Light Company to install the additional lights.

A petition was received from the citizens of the Menlo Park Lighting District, asking that an additional light be installed at the corner of Santa Cruz avenue and Chestnut street. Chairman McEvoy asked that the petition be accepted which was done on motion of Brown, seconded by Francis, and it was directed that the clerk notify the Pacific Gas and Electric Company to install the new light.

A communication was received from the Woman's club of Burlingame complimenting the board on the management of the county farm and commending its administration.

A communication was received from J. A. Filcher, the manager of the county exhibits at the 1915 exposition requesting the board to appoint its representatives at an early date so that a conference may be had of all the county delegates and a plan of displaying the products and industries of the State agreed upon.

On motion of Casey, seconded by Brown, it was ordered that each supervisor name a township representative at an early date who will constitute a committee of five to handle the county's interests at the fair.

The following resolution from the San Mateo Board of Trade was accepted and ordered filed:

"Whereas" it has been called to the attention of the Committee on Highways that a rumor has been circulated that they are opposed to the location of the State highway along El Camino Real, and

"Whereas said committee favored that route for a State highway through the county since the movement to that end was first initiated by the Board of Trade, therefore

"Resolved that this Board of Trade stands ready to render every assistance in its power to secure the location of said highway along the route of El Camino Real and we further favor its construction through the incorporated cities of this county.

"Resolved that a copy of these resolutions be forwarded to the Board of Supervisors and to the County Development Association.

Communications were received from State University and State Mining Bureau, asking for county maps. On motion of Brown, seconded by Casey, the communications were referred to the surveyor.

A communication was received from S. J. Levy of the San Francisco and Interurban Motor Express Company complaining that the road at the bridge recently constructed at Millbrae was unfit for use, one of their trucks having recently been mired at that place. The poor condition of the road was charged to the bridge contractor.

Both Supervisor Casey and Surveyor Neuman defended the contractor and said that his work had been well done and the fault was with Levy who had overloaded his truck.

It was directed, on motion of Brown, seconded by Casey that Levy's complaint be returned to him as unfounded.

Surveyor Neuman notified the board that he had accepted the O'Malley bridge, erected by Mitchell & Savage at Colma. A claim of $81 had been filed against the contractors.

Motorcycle Officer M. F. Brown of the Second township reported that since his last report he had made six arrests of speeding autoists, three of whom had been convicted, paying fines of $45. Three cases are pending.

Motocycle Officer T. Martenstein of the Third township reported having made five arrests, all of which had been convicted, paying fines of $75.

The Joint Financial Statement of the auditor and treasurer was presented and accepted and ordered published.

The withdrawl of A. Bester from the liquor bond of John Oleson of Farralone City was accepted and D. H. Hinds substituted in his place, on motion of Francis, seconded by Casey.

On motion of Casey, seconded by Brown, Mrs. Assenti Belloni was granted $6.25 monthly for each of her five half-orphan children. She resides in South San Francisco.

A liquor license was issued to John T. Collins of Colma.

Chairman McEvoy stated that he had visited the several local fuel dealers and had adjusted the matter of the coal supply for the courthouse satisfactorily to all of them. On motion of Francis, seconded by Casey, the report was accepted.

Brown complained that the board's recent order that the General fund bills be totaled by the county's purchasing agent had not been followed.

A list of the stationery required by the several officers was read by the clerk. The board took no action on the matter and it was laid over.

The controversy over the vending of flowers at the cemeteries in the First township was laid over until the next meeting, on motion of Casey, seconded by Brown.

On motion of Casey, seconded by Brown, the surveyor was directed to co-operate with the surveyors of the Spring Valley Company in establishing the width of certain county roads.

McEvoy called Brown to the chair and taking the floor moved that the list of stationery needed in the different offices and read at the forenoon session, be adopted and advertised for to be delivered in such quantities as may be desired. He was seconded by Casey and the motion carried.

McEvoy moved that the board proceed to fix the prices of county printing and introduced Ordinance No. 252, establishing the rates which was adopted on his motion, seconded by Francis.

District Attorney Swart spoke to the board regarding the failure of his clerk, the purchasing agent, to audit the county claims as had been requested. Up to February 16, according to a written report referred to by Mr. Swart, Miss Fox had performed stenographic and other work for the county that was worth $200, yet her salary for the whole month is $75. His office had been crowded with business and that was the reason the board's order had been overlooked. Mr. Swart assured the board that the matter would be attended to in the future.

Referring to the congested condition of his office, the district attorney stated that he would need assistance and in order to clean up the work of his office had engaged the services of a young attorney whose salary he, himself, would pay.

The services of J. S. Hunter, the county entomologist, were dispensed with on motion of Blackburn, seconded by McEvoy.

A notice was received from Contactor Chas. P. Nott to the effect that the concrete bridge at the Schilling place near Woodside had been completed.

Attorney Harry E. Styles presented a petition signed by a number of citizens asking that that part of Hazel street in the San Mateo Homestead bounded by Tulip and Lily streets, be declared a public thoroughfare. Mr. Styles stated that the street had been dedicated to public use in 1872, but had never been officially taken over by the board. The street is now partially obstructed.

Brown introduced a resolution accepting Hazel street, with the usual provision that the county is not to be responsible for its maintenance, and moved its adoption. He was seconded by Blackburn and the resolution was adopted.

Surveyor Neuman rendered a report of what work had been done in the surveying of the county roads preparatory to estimating the cost of rebuilding the principal thoroughfares.

Casey reported the death of Mrs. Dolores Denechaud, a county indigent at South Lomita Park, on December 7th, and asked that the daughter of the deceased be given the monthly assistance allowed to her mother. He was advised to have the applicant present the usual verified petition at the next meeting.

The claim of JamesT. O'Keefe for $250 for legal services performed for the Menlo Park Lighting District was rejected on motion of Brown, seconded by Casey, on the ground that the board had no jurisdiction.

The claim of the Pacific Gas and Electric Company for current furnished the same district during the month of June was rejected on motion of Brown, seconded by McEvoy, on the ground that the contract had not been executed with the company until after the date of the claim.

Claims of the South San Franco Power and Light Company against the Colma and San Bruno Lighting Districts were laid over until the next meeting on motion of Casey, seconded by Brown.

Sixteen claims against the General fund, aggregating $677, for bridge and culvert work in the Fifth township were denied payment on the ground that the charges had not been incurred in accordance with an existing resolution of the board that all such work must first be reported and approved by the surveyor and authorized by the board. There is an exception in the case of emergency cases.

In order to dispose of the claims Brown made a motion that they be paid. He was seconded by Casey and upon a vote being taken the motion was declared lost.

A claim of Sheriff Mansfield's for $399 was passed on motion of Brown, seconded by Casey. The chairman refused to sign the claim on the ground that it included a charge of $16 for mileage which he thought the sheriff was not entitled to.

On motion of Brown, seconded tby Francis, McEvoy was authorized to procure two tanks and covers for his road district.

In view of the frequent charges for automobile hire Brown thought it wouldbe economy for the county to own its own machine. It could be made use of by the sheriff, the district attorney and the surveyor, and would be useful to the board for occasional trips about the county in the inspection of roads.

All of the members agreed as to the advisability of having a machine and the matter will be again taken up.

On motion of Francis, seconded by McEvoy, the surveyor was directed to go out in the field with a corps of assistants and rush the work of making the road surveys and preparing estimates of the proposed improvements.

Adjourned to March 4th.

CALIFORNIA INVITATION DAY IS FEBRUARY 13TH, 1912

Everyone Interested in Development of California---Low Rates From the East.

The Southern Pacific has arranged to establish very low passenger rates from all eastern points and European points to California points to be effective from March 1st to April 15, 1912. From all Missouri River points the fare will be $25.00, from Chicago $33.00, from New York $50.00 and from all other points in proportion. If you have friends whom you are figuring on bringing to California, now is your opportunity to do so at very small cost. You may deposit the money with any Southern Pacific agent who will immediately make all arrangements, having tickets furnished and sleeping car reservations made, thus relieving you of the necessity and risk of sending the money east.

If you desire rates from or to any point in the world, or are figuring on any kind of a trip, a line to Mr. E. Schillingsburg, district passenger agent at San Jose will bring full information and rates, or if you desire, a representative of the company who is thoroughly versed in the ways of traveling will call on you and explain fully rates, routes etc.

Mrs. L. P. Behrens was hostess at a missionary tea on Friday afternoon and a large number of guests were entertained. The subject of discussion was the Chinese sufferers, Mrs. Kirtland being the interesting leader. Several vocal solos were given by Mrs. Frank Wentworth and Miss Edna Christenson added to the enjoyment by a number of piano selections, charmingly rendered. Delicate refreshments closed the aftrnoon.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

Postmaster E. E. Cunningham of South San Francisco is making a number of improvements in his office looking to a better accommodation of the public. The improvements include the installation of 94 additional lock boxes.

Ambrose Pinzi of South San Francisco is suffering from the usual result of the use of coal oil as a fire kindler. One day last week he endeavored to encourage a somewhat sluggish fire by pouring oil from a gallon can. Result an explosion of the oil with painful injuries to himself and the calling out of the neighbors to extinguisn a fire which threatened the destruction of the house.

Mrs. Charlotte Green has been appointed postmaster at San Bruno to succeed her late husband, A. A. Green.

The Carpenters' Union of San Bruno has purchased two lots at the corner of Mason and Angus avenues in the rear of the postoffice, and is making preparations for the erection of a two-story building which will serve as an assembly hall and a dance hall.

The Burlingame Home League is the name of a new political organization that will back a ticket for the coming municipal election. Organization was perfected at a meetir held last Friday evening by the election of A. H. Coppuck as president, E. W. Dow as secretary and William Swartley as treasurer. The new organization is composed principally of residents of Burlingame Park.

A number of the prominent residents of Halfmoon Bay have started an active movement for the encouragement of athletic sports. To this end they have formed an organization to be known as the Halfmoon Bay Athletic Association. The directors of the new association are J.. M. Francis, J. Gray, F. A. Simmons, A M Croop and M. J. Bettencourt. The objects of the organization is declared to be for the formation of teams and to promote and participate in such games and sports and to establish and maintain such grounds as may be deemed proper and necessary for the recreation and amusement of its members and the public in general.

Preliminary steps have been taken toward the establishment at Miramar of a factory for the products of sea moss. Not only is potash to be manufactured from the seaweed, but paints, iodine and other drugs, and experiments are to be made looking to its utilization for food products.

Supervisor Joseph M. Francis has a force of men at work under the leadership of M. B. Wiggins, macadamizing the county road from the Riviera bridge to the Montara-Moss Beach cross roads. This improvement was much needed and will be appreciated by the traveling public.

The Socalist party of San Mateo has placed in nomination the following municipal ticket: For trustees—John Marley, H. F. Gittings and A. W. Waldo. For city clerk—Gus Palancia. For treasurer—H. J. Spohr.

While driving near the Stetson home at Hillsborough last Sunday night, Seth Cohne of San Mateo met serious injury when his team took fright and toppled the rig over an embankment. Mr. Cohn received a fracture of the collar bone, while his wife, who was in the rig with him, escaped with a few minor bruises.

According to an estimate made by Trustee Cleese, the city council of Burlingame is facing a serious shortage of city funds. It is claimed that even with the utmost economy in the future, the defficiency will amount to $10,000 before the end of the fiscal year. The undertaking of ever extensive public improvements seems to have been the cause of the impending lack of funds.

Belmont Notes.

Mrs. George Carter has returned from a visit to friends in Oakland.

Miss James O'Neil, who has been on an extended visit to Southern California, has returned to her home.

Mrs. Engels of Oakland has been visiting with her mother, Mrs. J. Hutchings.

The many friends of Mrs. E. O'Neill will regreat to learn that she is ill at the Red Cross hospital. Her condition is not serious and she is improving nicely.

The Palo Alto high school baseball club played the Belmont Military school club last Saturday. It was the first game of baseball for the season. The score was 6 to 4 in favor of Belmont.

Students Will Discuss Annexation.

In view of the wide spread interest in the annexation of San Mateo county by San Francsico, two pupils of the high school are to use the topic for a debate. Roy Woodhams and Ray Griffin will debate the subject on the evening of February 28th, in the high school building. The same evening, members of the commercial department will put on a short farce entitled, "All in a Day's Business," which will prove to be not only amusing but possibly instructive. A special invitation is extended to all business and professional men of this vicinity There will be no charge.

STANDARD OIL CO. AID STREET WORK

Corporation Proffers Assistance to City Council in Making Improvement Plans

Official occupancy of Redwood City's new public building began last Monday evening with the holding the regular session of the city council. Some time before the hour provided for the opening of the session all of the trustees had gathered in the council chamber, each inspecting with apparent pleasure the modern provisions under which they were to transact the business of the public in the future. While a number of spectators were present, the attendance was not as large as might have been anticipated for the occasion, probably due to the fact that no business of special importance was scheduled for consideration.

After the formal opening of the session, Chairman Merrill granted a suspension of the usual business and introduced E. N. Percy, a representative of the Standard Oil Company, who gave an instructive talk on the construction of oiled macadam roads, with particular reference to the methods recommended for the combination of the various materials used. Mr. Percy epxlained that the company had established laboratories similar to those maintained by the general government for the testing of road building material and were ready at all times to give municipalities the benefit of their investgations. It was not the design to recommend any special class of material, but rather to assist in the preparation of specifications best suited to material available to each community. To this end he desired that the company be furnished with samples of the material to be used in contemplated improvements in this city, upon the resultant tests of which suitable specifications for its use would be suggested. The trustees evinced their appreciation of this offer and indicated their ntention to take advantage of the assistance offered.

The usual monthly reports of the city officers were presented and after approval were orderd filed for future reference.

The report of Marshal Coleman showed that the collections of his office for the month amounted to a total of $1630.30.

The report of Treasurer Towne showed the general fund to be overdrawn to the extent of $1611. The receipts of the fund for the month were as follows:

Trans. from extinct fund	$617.85
State bond refund	431.69
Recorder's fines	5.00
Licenses	79.00
Taxes	714.55
Sewer connections	10.00
Total	1858.09

The expenditures from the fund for the month amounted to $4,496.15.

In the water fund the receipts for the month were $685.55, while the disbursements amounted to $611.53, leaving the fund with a balance of $1,344.35. The expenditures from the library fund for the past two months amounted to $163.05, leaving a balance in the fund of $1,329.33.

Chairman Merrill reported that after an interview with Baldwin & Howell, general agents for the Dingee Park tract he had been unable to obtain promise of a settlement of the controversy over the strip of land which prevented the opening of streets joining that tract with those of the Central Park tract. From present indications he was of the opinion that condemnation proceedings promised the only solution of the question and this method he did not deem advisable until those interested were ready to guarantee expenses.

Chairman Merrill also informed the council that in the preparation of the program for the dedication of the new city hall he had caled to his aid a committee of citizens. The program was not announced as at the time as the work of the committee had not been completed.

Street Superintendent Dickey was given authority to purchase two car loads of crushed rock to be used in the repair of streets.

City Clerk Plump and City Attorney Mansfield were instructed to prepare a suitable petition addressed to the proper authorities requesting the placing of a signal light at the mouth of Redwood Creek.

Trustee Hynding called attention to the danger of accidents resulting from the use of the sidewalks in the business sections by children using roller skates. City Attorney Mansfield stated that the practice of skating, as well as the riding of bicycles on the walks of the business section, was prohibited by an ordinance. Marshal Coleman was directedto insist upon a strict enforcement of the ordinance in the fuutre as to both classes of offenders.

A resolution was adopted making the preliminary declaration of the necessity for the issuance of bonds of the city to the amount of $37,000. This amount is divided as follows: For the improvement of the city's portion of streets fronting public parks, $5,000; for street intersections, $20,000; for the purchase of a combination automobile fire truck, $7,000; for improvements and extensions of the street lighting system, $5,000.

City Attorney Mansfield reported that the final draft of the street railway franchise had been submitted to Judge Fitzpatrick and was awaiting his decision, which was expected within a short time. Upon this, upnderstanding, the introduction of the ordniance was postponed until the next meeting.

The usual list of claims against the city were approved and ordered paid.

Will Remove to San Francisco.

At the monthly meeting of the vestry of St. Peter's church on Wednesday evening, Mr. Charles T. Cook, who for a number of years has served the parish as its clerk, announced his intended removal to San Francisco and tendered his resignation. While expressing regret at the loss of the efficient services of Mr. Cook, both as an officer and worker in the parish, the resignation was accepted. Later the vacancy was filled by the election of J. E. Harris as clerk of the parish.

In retiring, Mr. Cook expressed his regret at severing a connection which to him had been one of many pleasant associations, stating that his removal from the city was impelled by business reasons soley. In addition to his other work, Mr. Cook has rendered most efficient services to the congregation of St. Peter's church as its choir leader, and in this work he will be greatly missed.

SURVEY IS COMPLETED FOR COAST BOULEVARD.

The corps of surveyors under the direction of County Surveyor Neuman has completed the survey of the proposed boulevard from Colma to Halfmoon Bay. The road will have a uniform grade which in only one place goes above a five per cent maximum. On the San Pedro mountain the grade will approximate six per cent. The way is one of wonderous scenic beauty and will attract tourists from all over the word.

Some engineering work of a preliminary nature has also been done on the San Mateo and Halfmoon Bay route and also upon the connecting stretch between Redwood City and Pescadero.

When all of the surveys have been completed and options on rights of way secured the supervisors will ask the people to consider the proposition of bonding county for $1,250,000 with which to build the roads.

With a system of roads such as the proposed boulevards, San Mateo county will become famous throughout the State and will attract much tourist travel. The roads will also be of untold value to all local residents who have occasion to haul or travel over them.

PARK COMMISSION LETS PLANTING CONTRACT.

At the meeting of the Park Commissioners Wednesday evening bids were received for planting trees on the principal thoroughfares of the city. Bert Leahy and William Tribolet were the lowest bidders and the work was divided between the two.

The Commissioners have planned to secure the cooperation of the trustees of the grammar school in a move to remedy the unsightly appearance of the fences surrounding the school property bordering on the railroad right of way. It is proposed to set aside a day in the near future by the schools as a planting day, when the pupils will be asked to join in the work of planting ivy along the fences and about the buildings. In furtherance of the plan, the commisioners propose to take care of the heavy work, such as the necessary digging, while the children will do the planting.

MANY IMPROVEMENTS AT UNION CEMETERY.

The directors of Union cemetery have employed Kenneth Murray to clean up the unfenced portions. He will also clean off all of the chaparral and poison oak from lots whi are fenced, and will give the place a general cleaning. ANOTHER PIONEER GONE TO HIS REST

Death Ends Long and Honorable Career of Alexander Gordon.

Once more San Mateo county has been called upon to note the passing of a figure prominent in its history. Once more the call of the death angel has been heard among the rapidly thinning ranks of our early pioneers and Alexander Gordon has crossed the Great Divide to the haven of eternal rest with his Maker.

Born among the granite hills of New Hampshire, deceased was endowed with a magnificent constitution which, preserved by a regulated life, withstood the hardships of early combat far beyond the full allotment of three score and ten years Imbued to the full with the higher atributes of manhood, he enjoyed more than the respect—almost the filial love—of the people of this city, among whom he had made his home for more than a quarter of a century.

Perhaps no better record of the life work of this truly stalwart figure in the early foundation of this commonwelth can be found than the following sketch, compiled largely from a biographical history of the central section of this State.

Alexander Gordon was a native of New Hampshire, born in June 1826. He was educated in the public and private schools of his native State. In 1849 he came to California with the gold seekers and followed mining until 1852 when he purchased a hotel near old Hangtown in Placer county and continued in this business until 1853. Mr. Gordon, from his early training was best fitted for a farmer's life and in 1853 he moved to Marin county and became a farmer and dairyman on a large scale. It was while living in this part of the State that the deceased was married, this event being the culmination of a youthful romance. While Gordon was a boy in his native State one of his favorite teachers was a Miss Phoebe Lewis. The friendship between the young lady and her pupil ripened into love and when Mr. Gordon was comfortably situated in California Miss Lewis journeyed to this state and the couple were married.

In 1863 Mr. Gordon moved to this county and located on the coast where he lived for many years. He acquired large land holdings and farmed on an extensive scale. He owned great warehouses on the ocean shore near San Gregorio and here he built what was known as Gordon's chute, a contrivance used in loading deep-water vessels by which the product of his farms and that of his neighbors was carried to market.

Mr. Gordon accumulated his wealth while a resident of this county, and when he made his home in this city twenty-five years ago he ranked among the rich men of the State. Unfortunate investments, however, swept a large portion of this away in later years.

The deceased was twice a member of the State Legislature as assemblyman—in 1861 from Marin county and during the 80s from this county. He served the county as a supervisor from the coastside and while a resident of this city was for several years a city councilman. His last years were quietly spent in his home on Phelps street at which place his wife passed away in 1909.

During the stirring Vigilante days the deceased was in San Francisco and saw many of the exciting events that were enacted at that time. He was present at the funeral of Senator Broderick who was shot by Judge Terry in a duel in 1856 and stood close to Colonel Baker when he delivered his grand eulogy over the dead statesman. Mr. Gordon recalled vividly those memorable happenings and his stories of the old days, graphically told, were intensely interesting.

For the best years of his life a consistent member of the Masonic fraternity, to his Brothers of Redwood City Lodge fell the sad duty of performing the last sad rites which consigned all that was mortal of Alexander Gordon to the bosom of mother earth. Born tenderly by the members of the Lodge the remains, which had lain at the family home on Phelps street from the time of his death, were conveyed to the hall of th eLodge Tuesday morning where the impressive ritual rites of the oOrder were rendered by R. F. Chilcott, the Worshipful Master. This was followed by an eloquent and impressive tribute to the life work and sterling traits of Christian manhood of the dead pioneer, delivered by Rev. Mr. Brown, pastor of the Methodist church, where deceased had long been a worshiper. Escorted by members of the Lodge and followed by a sorrowing train of friends and neighbors, the remains were taken to Cypress Lawn cemetery for final consignment.

JAMES PORTER GODWIN, PIONEER SETTLER, DEAD.

James Porter Goodwin, a native of Rhode Island, aged 72 years passed away early Friday morning at the home of his son, J. W. Goodwin on Roosevelt avenue. Mr. Goodwin came to California over fifty years ago and settled in Sacramento where he engaged in the furniture business. His family consists of three sons and three daughters, only one of them, J. W. Goodwin, the San Francisco attorney being known here

The deceased has lived in Redwood City for the past six years and had become well known because of his kindly ways and his readiness to become acquainted which he had acquired by his fifty years of residence in this state. About a year ago Mr. Goodwin's horse ran away and he wasthrown from the buggy. He never fully recovered from the accident. He had been about town until recently when he took to his bed. Death was the result of no special disease but because of a general breakingdown of the constitution, caused by long years of participation in active business.

The funeral will take place this afternoon at 3 o'clock from the late residence and the interment will be in Cypress Lawn cemetery.

CANDIDATES NAMED FOR MUNICIPAL OFFICES.

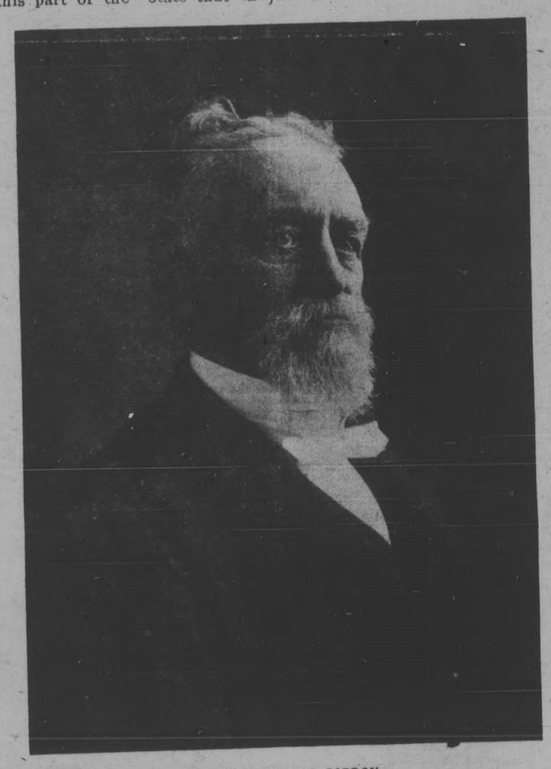
The committee appointed at the recent mass meeting to select candidates for the city election met in the new town hall Tuesday evening and chose the following citizens whose names will be presented to the meeting to be held at the same place next Monday evening:

For trustees—Jos. J. Hahir, Frank Zimmerman, R. F. Chilcott, Dr. N. C Cummings, Dr. G. B. Yount, Geo Deleau.

For clerk—Carl Plump and W. H. Kelso.

For treasurer—F. K. Towne.

The home of Mr. and Mrs. Geo. Christ was gladened last week by the arrival of a baby girl.



HON. ALEXANDER GORDON

Miss Mansfield Coming.

On Monday night, Feb. 26, for one night only Marjorie Mansfield will appear in the great comedy drama, "In Arkansaw" which was one of the greatest successes in recent years in San Francisco, Oakland and Los Angeles as well as throughout the east and has never before been played in Redwood City.

The play was written by the well-known author and producer, Harry D. Cottrell, for years connected with the Ye Liberty Theatre of Oakland and also of the Oliver Morosco enterprises.

The plot deals with the drafting to fill the ranks of the Union Army during the Civil War and combines rural life and humor with emotional scenes in connection with the times.

Marjorie Mansfield, it will be remembered was a great success throughout the northwest as "Du Barry," "Zaza" and other strong and emotional characters. Her support is unusually good. A Francis Lenz, late of the "Madam "X" Company, Elso Ray Johnson, L. Lloyd Clark, John Fenton, Ancy McNulty, late of the Alcazar Stock Company, Great Ingram, Margaret McNulty, Jane Lamb, and Edesse Fowler comprise the cast.

The play being historical in a sense and replete with natural, real lovable characters will give satisfaction to everyone and cannot offend in any way the most delicate and critical.

Hull Bros have just recieved a complete line of new garden hose, in all sizes. These goods are of this years manufacture, and guaranteed against defects. They also have a complete line of garden tools.

NEW CITY HALL IS OPENED TO PUBLIC

National Holiday Celebration is Made Occasion of Marked Local Significance

Redwood City's observance of the anniversary of Washington's birthday took upon itself a largely local character, the celebration marking an event which will live for many years in the minds of the younger generation of the city, many of whom took an active part in the ceremonies. While business generally was suspended and the usual program of exercises were carried out in the schools, the chief interest of the day centered in the dedication of the new city hall. Before the time announced for the commencement of the cermonies the grounds surounding the entrance to the building was filled with the citizens of the town, men and women evincing an equal interest. An especially attractive feature of the gathering was the splendid representation of the pupils of the public schools, who marched from their rooms to the site of the new building in class formation and were given positions of honor on the grounds.

For the convenience of those taking part in the ceremonies a temporary platform had been erected in the front of the building. This was appropriately decorated with potted plants, flowers and bunting. Occupying seats on this rostrum were Mayor Merrill, members of the city council, City Attorney Mansfield, Rev. C. C. Kirtland, Mrs. Robert Brown, and Prof. O. M. Carrington.

Mayor Merrill presided over the ceremonies, and in his opening address made eloquent references to the occasion which had called out a gratifying representation of the citizens of the city. "It is not often," he remarked, "that Redwood City indulges in the luxury of the dedication of a new city hall. Probably but few men or women are now living who were participants in the dedication of the old town hall. It is appropriate that the children should be given a part in the dedication of this new building, since upon them must in a few years rest the responsibility of our local government. Not only will they use the building, but upon their shoulders must fall the burden of a portion of the cost of the structure, the last payment of which will not be made for many years to come. Reverting to the work of the city authorities in securing the erection of the splendid building, Mr. Merrill gave his hearers a statement of the cost of the building and explained the efforts of the trustees to secure a modicum of stability and convenience at a minimum cost while keeping in view the pleasant effects of artistic outline. In explanation of the design which actuated the trustees in the selection of the site of the building Mr. Merrill graphically outline the future possibilities of the development of that portion of the city. With the completion of the improvement of Center street, which would be accomplished within a short time, that thoroughfare must become one of the principal arteries of travel through the city, while eventually the grounds surroundnig the site must be transformed into an inviting park, rendering the whole a beautiful civic center. In closing the Mayor urged upon the younger generation the importance of cultivating the higher ideals of civc rghteousness which makes for pure government and honesty in the conduct of public business.

As Mayor Merrill resumed his seat the pupils of the public schools, lead by Professor Carrington, sang "Marching Through Georgia." City Attorney Mansfield was then introduced and spoke at some length, detailing the work of the present board of trustees in the prosecution of public improvements. After the singing of the "Star Spangled Banner" by the children, in which the entire assemblage joined, the American flag was unfuried at the head of its staff by Mrs. Robert Brown, the patriotic instructor of Gen. George S. Evans' Womens Relief Corps, who feelingly referred to the signifance of the emblem of Liberty. Rev. C. C. Kirtland, pastor of the Congregational church, invoked the blessing of the Diety on the building and the purposes to which it was to be devoted, after which the audience was dismissed with the singing of "America." With the close of the formal ceremonies the people were given an opportunity to inspect the interior of the building, and for some time the residents of the city admired the conveniences afforded for the transaction of their public business.

Women Form Taft Club.

To Mrs. Abbie E. Krebs, whose elegant country home is at Fair Oaks, falls the honor of forming the first Wonen's Taft Club in California. The club was organized at the Palace Hotel in San Francisco, where for the present Mrs. Krebs is domiciled, and numbers among its membership a large number of the prominent society women of the metropolis. It is the design of the club to take an active part in the campaign for the renomination of President Taft.

In discussing the motives of her activities in the poltcal field, Mrs. Krebs says:

"I was urged to organize the club by Republican women in San Francisco, and I believe the time is ripe for us to show our colors and go on record as having no sympathy for the indicision of the wing of the party that did not know until yesterday upon whom it was going to bestow its support for president.

"We know now that we are strong for Taft, the friend of California, who gave the Panama-Pacific exposition to San Francisco. The conservative Republican women of California appreciate President Taft as a cautious and progressive statesman, and their support for him is unshaken. We did not need to send an emissary to Wisconsin or to Sagamore Hill to ascertain where we stood on the great question of national politics.

Besides being a member of the women's board of Panama-Pacific Exposition, Mrs. Krebs is a leading figure in many of the women's civic and fraternal organizations.

HARD-TIMES PARTY WAS ENJOYED BY MANY.

The hard-times party, given by the Woman's club at the clubhouse in Dingee Park Tuesday night, was as is usual with the club events, heartily enjoyed by a large gathering. The costumes were very ingenious and evidentely carefully planned. Prizes were awarded to Mr. and Mrs. H. A. Winter of San Carlos for the best sustained. Mrs. Shaw and Mrs. Matoon of San Carlos were favorably mentioned for the characters assumed by them. The event was in charge of a committee of which Mrs. Albert was chairman.

The music by Mullen's orchestra was a feature of the dance. Refreshments consisting of frankfurters and coffee and rolls were served. At the conclusion of the party the guests visited the home of Dr. and Mrs. Yount and indulged in a ragtime dance for a while.

The regular fortnightly card party of the club will be given at the club house next Tuesday evening at 7:30 o'clock. The committee that had previous parties in charge and made them so enjoyable will award prizes. Refreshments will be served. Admission 25 cents.

Native Daughters Honor Member

The meting of Bonita Parlor Tuesday evening was a most enjoyable one. The past president, Mrs. Dora Wilson was presented with a cut-glass dish on behalf of the parlor by Mrs. Nettie Kinne. Tuesday being Mrs. Wilson's wedding anniversary, she was also pleasantly remembered by the individual members. Mrs. Wilson took the members to the Bell theatre after which they returned to the lodge room and had refreshments.

SEND FOR LITERATURE

Students desiring lucrative employment in San Francisco should send for pamphlet, read letters of advice from the expert court reporters, also the resolutions adopted by the HOME INDUSTRY LEAGUE OF CALIFORNIA (more than 900 busidess concerns in San Francisco) recommending GALLAGHER-MARSH graduates, and then they will understand why they should attend GALLAGHER-MARSH, the college that has graduated during the last ten years more expert stenographers than all other business colleges in California put together.
Mr. Robert F. Gallagher, principal and proprietor of Gallagher-Marsh Business College, is the official reporter of our Superior Court, presided over by Judge Buck, and the young people of San Mateo county will make no mistake by attending his college.

Guardian's Notice of Sale of Real Estate at Private Sale.

Notice is hereby given that, pursuant to an order of sale made in the Superior Court of the State of California, in and for the City and County of San Francisco, (Department No. 10 thereof,) on the 4th day of December 1911, and filed in the office of the Clerk of said Court the 11th day of December 1911, in the matter of the estate of Joseph Gigling, an incompetent person, (No. 11272,) I, the undersigned, Guardian of said Estate, will sell, at private sale, (subject to confirmation of sale by the above-said Court,) the following described real property, belonging to said estate, to wit:

An undivided one-fourth interest, (as owner in fee,) in the here next described lot or parcel of land situate in "City Extension Homestead", County of San Mateo, State of California, and bounded and more particularly described as follows to wit:

Commencing at a point on the Southerly line of "I" Street One Hundred and Twenty-five (125) feet Westerly thereon from the point of the intersection of said line with the Westerly line of First Avenue; thence Easterly along said Southerly line One Hundred (100) feet; thence at right angles Southerly One Hundred (100) feet; thence at right angles Easterly One Hundred (100) feet, and thence at right angles Northerly One Hundred (100) feet to said Southerly line of "I" Street and the point of commencement. Being East quarter of Lot 4, and the West three-quarters of Lot 5, in Block 9 of said City Extension Homestead.

Said sale will be made on or after the 6th day of March, 1912, at the office of F. V. Meyers, 302-303 Grant Building, corner Seventh and Market Streets, in the City and County of San Francisco, and bids will be received at said office, for said property, in connection with said sale, from the date of the first publication of this notice (February 10th 1912,) until and including said 6th day of March 1912.

Terms of sale shall be, to wit, cash, lawful money of the United States, bid in any case to be accompanied by Ten (10) per cent of amount offered, (In Coin or by certified check,) and balance of price offered to be paid forthwith upon confirmation of sale by the Court.

Dated: February 6th 1912.

Order to Show Cause Why Order of Sale of Real Estate Should not be Granted.

In the Superior Court of the State of California, in and for the County of San Mateo.

In the matter of the estate Lendal M. Gray, deceased. No. 1457.

Order to show cause why order of sale of real estate should not be granted.

Union Trust Company of San Francisco as the administrator with the Will annexed of the estate of Lendal M Gray, deceased, having this day presented to this Court and filed with the Clerk thereof, its verified petition praying for an order of this Court authorizing, directing and empowering it to sell all of the real property belonging to the estate of said Lendal M. Gray, deceased, at private sale, and it appearing to the court from said petition that it is necessary to sell all of the real property of the estate of said Lendal M. Gray, deceased, to pay the debts outstanding against the said deceased, and the debts, expenses and charges of administration.

Now, therefore, it is hereby ordered that all persons interested in the estate of said Lendal M Gray, deceased, be and appear before the Superior Court of the State of California, in and for the County of San Mateo, at this courtroom, in the County Court House in the City of Redwood, County of San Mateo, State of California, on Thursday, the 21st day of March, 1912, at the hour of ten o'clock A. M. of that day, then and there to show cause why an order should not be granted authorizing, directing and empowering said Union Trust Company of San Francisco as the administrator with the will annexed of the estate of Lendal M. Gray, deceased, to sell at private sale all of the real property of which the said Lendal M. Gray, deceased, died seized, or in which he had any interest or in which the estate has acquired any interest, as prayed for in said petition of said administrator, which petition is hereby expressly referred to and made a part hereof, and reference is hereby made thereto for a full and particular description of all of said real property for an order of sale whereof said administrator has petitioned this Court.

And it is further ordered that a copy of this order to show cause be published once a week for four successive weeks in the Times-Gazette, a newspaper of general circulation printed and published in the County of San Mateo, State of California

Done in open Court this 14th day of February, 1912.
